Similes, Metaphors and Poems

1. Practise your spelling words ready for your spelling test on Monday.
2. Write a poem (style is your choice) using at least 2 similes and 2 metaphors. Present your poem in an interesting way - a blog post, an interactive dance on video, a poster...

Maths - Tree Diagram Problems

In class this week, we have explored solving problems using tree diagrams. Complete the levelled problems below in your homework book. Remember to show all working out.

**Level 1:** Angela’s father is making her a sandwich to take to school for lunch. She is allowed to have two things on her sandwich - she can choose from cheese, tomato, lettuce and ham. How many choices does she have?

**Level 2:** Five students from different countries meet to plan an international peace ceremony. Each student shakes the hand of each other student. How many handshakes are there together?

**Level 3:** Lucy has four dolls in different national costumes, which she wants to arrange on a shelf in her bedroom. She has a doll from Spain, a doll from China, one from Indonesia and one from Mexico. Help Lucy arrange her dolls by working out all the different ways she can arrange them. How many different ways are there?

Inquiry - Crossbench Senators

The BtN story we have watched this week explains the crossbenchers that have been elected in the Senate. If you want to watch the BtN again, here is the link:

www.abc.net.au/btn/story/s4504154.htm

Choose an independent or minor party member in parliament today and briefly describe what they stand for. Create a short profile of the member you have chosen using the cube template on the next page.

Find out more about the newly elected crossbenchers here:

You may like to choose a local party member instead. You can find this information here:

http://www.aph.gov.au/Senators_and_Members/Parliamentarian_Search_Results?q=&sen=1&par=-1&gen=0&ps=10

Include the following information on your cube (one dot point per face):

- Name and place of birth
- Major life events
- Personality traits
- Why they are important
- What challenges they have overcome
- A quote of theirs
